From Sarasota, take Gulf of Mexico Dr. up Longboat Key until you reach the old closed gas station at 6990 Gulf of Mexico Dr. It is 9.5 miles up the key and is the only gas station on the north end of Longboat. It is at the intersection of Broadway and Gulf of Mexico Dr. Turn west on Broadway and the beach access is at the deadend of Broadway, we will meet in the parking lot.

I always arrive a few minutes early and have my camera set up on a tripod beside my car, I should be easy to spot. You do not need to be early, as we have set the time of your session for the best natural light. You, of course, do not want to be late either, as the sun waits for no one.

Meet in the Beach Access parking lot!

Do not go on out to the beach.
